

Saint Mary's
...the Spirit is in the School

September Newsletter

From Principal Buss' Desk:

What an incredible start to the school year at St. Mary's!

Our Back-to-School Night was the perfect way to begin, filled with excitement, smiling faces, and a wonderful sense of community. It was great to see our students and families back in the building and ready for another successful year.

In the days leading up to the first day of school, our teachers and staff worked tirelessly during meetings, professional development, and classroom preparation. Their dedication helped ensure that everything was ready to welcome our students back. That hard work paid off with a fantastic first day and an incredibly smooth start to the year.

Since then, students have been busy learning classroom expectations, establishing routines, building relationships, and settling into the rhythm of the school day. Our students in first through eighth grade have also been attending Mass together on Tuesdays and Thursdays. I have been extremely impressed by their reverence, attentiveness, and behavior during Mass, as well as the kindness and respect they have demonstrated throughout the school day.

By far, the favorite part of my day is welcoming our students into the building each morning. The fist bumps, high fives, smiles, and hugs are a daily reminder of what makes St. Mary's such a special place. There is nothing better than watching our students walk through the doors excited and ready to begin their day!

Thank you to our teachers, staff, students, families, parishioners, and volunteers for making the opening of the school year such a success. I am grateful for the opportunity to serve this wonderful school community, and I cannot wait to see what God has in store for us throughout the year.

God Bless,

Tyler Buss
