WHAT'S HAPPENING IN OUR CLASS

Math - Unit 8 : Mental Math Strategies-- test Monday

Students are invited to bring in their favorite Christmas book to share with the class. This is something I do with my class each year, and I bring in one of my favorites, too! We'll read and discuss these books and complete different follow up activities. We will also use these books to review our phonics and English rules we've covered so far this year. I hope everyone can send in a book to share!
