## What We Are Learning!

We worked on the letter J with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several alphabet centers and continue working on name writing. We painted with watercolors and stamped our hands to make cards for our buddies and Christmas bags for our party. They even got their feet painted (in case you wondered why they came home with green feet)! We walked uptown and mailed our letters to Santa. The littles enjoyed looking at the decorated trees and peeking into Santa's house. We have been practicing our songs for the Christmas program. I hope you have been hearing some sweet singing. We continue talking about the season of Advent and the birth of Jesus.
