What We Are Learning!

We worked on the letter G with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We rotated through several math centers (concentrating on numbers), and built with Gears, Magnaformers, and Legos. We continue learning about the Season of Advent and following along with our daily Advent Calendar and prayers. We water colored angels, and made some ornaments with lots of glitter. This class sure loves glitter! We wrote our letters to Santa but the weather did not cooperate for us to mail them. We will try for next week. We also talked about winter animals and hibernation, wrote in our journals, and played a fun game.

Please send in a wrapped children's book (around \$5) and we will have a gift exchange. You may also send in treat bags to pass out to the class if you wish.
