What We Are Learning!

We worked on the letter B with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We have been talking about snow this week and did "snow" many fun activities including reading and singing, making a cute snowman craft, making a snowman out of our names, a snowman counting cut and glue, and matching mitten games. We even made two types of fake snow! Ask your little how we made it. How cool that we even got to see a little of the real stuff! We also had fun celebrating the 100th day of school painting 100 dots, writing in our journals, and finding 100 Hershey Kisses (and eating a few too). Since we had a snow day and still have so many snow and ice things to do, we will continue our theme and the letter B into next week.
