What We Are Learning!

What an awesome Catholic Schools Week we had! The littles enjoyed dressing up and participating in the fun activities. It was great seeing so many of you at Open House. What a wonderful school family we have! We finished up the letter B and our snow and ice theme. We felt and tasted ice and observed it melting, did an ice and snowman cut and glue sequencing, water colored a snowman, and even made a snowman out of Play-Doh complete with accessories! We read The Mitten and wrote in our journals about our mitten. We talked about Ground Hog Day and watched the live video about Phil seeing his shadow. In Religion we talked about kindness, how we can let our light shine, and all the things we love about our school.

We have everything we need for our Valentine Party. Thank you! If you would like to join us (and have had the Child Protection Training) please let me know. They are also welcome to bring valentines or treat bags for their classmates. We have 14 students. As per school policy, there are no valentine deliveries accepted at school.

Rockets Foundation 5K and Kids Fun Run is Saturday, February 25th at 1:30 pm. This is a fun way to support our Rockets Foundation who does so much for our school. Sign up online at www.fueltherockets.com.
