## What We Are Learning!

We sure enjoyed the warm weather and extra playtime outside. We spent the week talking about our feelings. They wrote in their journals about what makes them happy and sad, stamped patterns with foam faces, did emoji math, and graphed their feelings on our chart. We concentrated on kindness (giving compliments, helping others, and random acts of kindness). Everyone earned at least one kindness coin for the week! We read the book "Harold and the Purple Crayon" and drew about our own adventures. We worked on the letter K with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. In Religion we talked about Ash Wednesday, our church season of Lent, and making good choices.
