

# 8th grade Newsletter

March 17, 2023

We had a great trip to St. Louis. I hope your children experienced new things, enjoyed themselves, and bonded with their classmates. As we enter the 4th quarter, we begin preparing for the end of the year, graduation ceremonies and moving onto high school. On Wednesday, students registered for their classes for high school. We will go on a high school tour in May. We have been discussing plans for graduation and the luncheon. We will plan the graduation ceremony, and the seventh grade parents are in charge of the reception.

## Parents:

- 8th grade parents are in charge of the luncheon for the students on graduation day. If someone would like to take charge of this, that would be great.
- We will be putting together a video of pictures of the graduates. You need to start getting pictures together of your child, old and new, and any group pictures that should be included. I need these pictures by May 1.

~~CRS Rice Bowl/Almsgiving~~ Fridays in lent students may bring in a small donation for the rice bowl and wear free dress that day. Also if students return their Rice Bowl that came home, after Easter they will receive a prize.
