What We Are Learning!

We worked on the letter M with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We also practiced the triangle and diamond and reviewed shapes with Mat Man, Play-Doh, stamps, and Tangrams. We have also been reviewing the alphabet in capital and lowercase form through tracing, working puzzles, and playing games. In Religion we talked about how all living things need water, our church season of Lent, and kindness. We have been assessing for progress reports that will be sent home next week. It is hard to believe this is the end of 3rd quarter and we will begin 4th quarter on Monday! Next week we will be working on the letter N and celebrating St. Patrick's Day. Remember to wear **Green** on Friday!

We are in need of afternoon snacks. If your little stays all day and you have not sent any extra snacks this month, we could use your help. Thank you!

On Wednesday, March 29th at 6 pm (note time change) there will be a parent informational meeting for incoming Preschool, Pre-K, and Kindergarten classes. If your child will be going into kindergarten next year (and you haven't already had a kindergartner), you will want to attend this meeting. Teachers will be sharing information about their classrooms and answer any questions you may have. Please share this with any new families that may be interested in St. Mary's School.

Daylight Savings Time begins this Sunday. Don't forget to move your clocks forward one hour!
