What We Are Learning!

We had a great St. Patrick's Day Week. We read books, sang songs, and did a little dancing. We did some shamrock math, drew leprechaun faces, wrote in our journals, and did some cool crafts to decorate our halls. We even painted with marshmallows! We learned all about rainbows and did some fun activities. We worked on the letter N with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We did math centers, rotating through several different activities. We also played with pasta, Legos, gears, and Picasso tiles. In Religion we continue talking about the church season of Lent. Our new 4th quarter virtue is patience. Next week we will be working on the letter V and talking about spring.
