What We Are Learning!

We worked on the letter V with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We read books and sang songs about spring, and took a walk to look for signs of spring. We made a kite using oil pastels, colored kites by shape, and did a cut and glue sequence about hummingbirds. We also did science and alphabet centers, rotating through several different fun activities. We continue working on name writing. Many are working on their last name. In Religion we talked about how Jesus had friends and feelings like us. We continue talking about Lent and working on our patience virtue.

Next week we will be working on the letter W and talking about weather, wind, and water.
