What We Are Learning!

Wow, what a wonderful week we had talking about the weather. We experienced sunny, cloudy, windy, and rainy and enjoyed a lot of outside time! We wrote in our journals about our favorite weather and what wind moves (a fun prediction activity using straws). During centers we played in water to see what floats or sinks, painted raindrops by number, and water colored a paper plate umbrella. The littles loved our Walking Water Experiment. I hope you have heard our favorite spring song! We worked on the letter W with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several different fun math centers. In Religion we talked about Palm Sunday and Holy Week and Fr. Robert brought in palms for us to see.
