From the Desk of Mrs. Naas:

This past weekend we had a terrific turn out at the City Lights Luau! A HUGE shout out to the chairmen Whitney Hamm, Abraham Naas and their team for a wonderful and profitable event! Thanks to all of you who purchased a ticket, donated items or your time in any way! The students will benefit greatly from your generosity!

March Dadness made a return on Monday evening! It sounds like it was a fun time had by all! Thanks to Mrs. Stevens-organizer extraordinaire, the dads, moms, and kiddos that made the event a success!

Mrs. Wissel's religion classes performed a Shadow Stations of the Cross for the school this morning. They worked so hard on this and it was a humble display of Jesus' suffering and death on the cross. We rejoice that this is not the end and that Easter is coming!

The adventures you all have planned for next week are so exciting! I pray that you all have safe travels and memorable experiences with your families and friends. I'll be anxious to hear all the stories and share in their excitement when we return, on Tuesday, April 11. Just a reminder that next spring break we will be traveling to Washington, D.C. It is not too late to join our trip!

If your student has been collecting money for their own CRS Rice Bowl, please bring that in after spring break so we can send that in. Also, a small prize will be given to those who bring them back.

Have a relaxing and refreshing break!
