What We Are Learning!

The littles were excited to be back with their friends and really enjoyed the beautiful, warm weather this week. We had a wonderful Easter Celebration with an egg hunt, yummy treats, and Easter Activities. We have been talking about new life, life cycles (sequencing), and farm animals. We joined our preschool and kindergarten friends for a fun trip to the petting zoo where we observed many animals. We also had a clown visit our school. We introduced the letter X and will continue practicing it next week with the letter Y. In Religion we talked about how Jesus has risen and Fr. Robert came in to share about the Easter Season.
