What We Are Learning!

We have been learning all about plants this week. We made a diagram of plant parts, cut and glued together a dandelion parts puzzle, practiced shortest to tallest with sunflowers, did an alphabet dot to dot flower, planted our own flowers, and tasted food from seeds to roots. We painted flowers using sponges, forks, and even celery stalk ends. They turned out so pretty! We celebrated Earth Day reading books, watching some cool videos, coloring, and journal writing. We also practiced the Letters X and Y using Play-Doh, chalk boards, paint doobers, and iPads. In Religion we continue talking about the Easter Season and our Patience virtue.
