What We Are Learning!

We had a great week learning all about zoo animals. We read lots of books, watched some cool videos, added zoo animals to our Legos and blocks, wrote in our journals about their favorite zoo animals, and even used stamps to create their own zoo. We also did some zoo animal tracing, counting, sorting, and shadow matching. We practiced the letter Z using Play-Doh, chalk boards, paint dobbers, and iPads. We played Zingo, Whose Nose, worked floor puzzles, and rotated through several alphabet centers. In Religion we talked about how Jesus is our shepherd and watches over us like his sheep.

Upcoming Events

April 28 - Book orders due
May 16 - 8th Grade Graduation 6 pm
May 17 - Pre-K Graduation 6 pm
May 18 - Pre-K 12:00 dismissal
This will be our last day.

We have made it through the alphabet and will continue to review letters. We will be learning about Bugs/Insects.

Show and Tell will be on Wed., May 3rd.

Snacks for next week:

Monday - Emerie

Tuesday - Paisley

Wednesday - Lillian's 5th Birthday (Aug. 6th)

Thursday - Garrett's 5th Birthday (July 24th)

Friday - Ezra

Notes:

Our last day of school for preschool and pre-k will be on Thursday, May 18th with a noon dismissal. We will be having a morning of outside fun (weather permitting) on our playground with our preschool friends. We would love to have any available parents to come join us from 9-11 am if you have completed the Child Protection Training. We will have lunch at 11:00 and then dismiss at 12:00. (You are welcome to stay for lunch as well.) Pick up will be at the side preschool door (near the little playground) since the older students will be on the back parking lot at that time.

Have a GREAT weekend!
