Week #34 April 17-21, 2023

## My Name is My Parents' 1st Gift to Me

Our next hallway display will utilize the baby photo you sent in August. This weekend or early next week, please text or email me how you chose your Kinder's name so it can be added under your child's image. Was it a name you'd always loved & dedicated to using? A family name? One that coordinated with those of your other children? S/he just looked like a \_\_\_\_? These stories always turn out enchanting & loved by all. You can include middle name as well. If you have any questions, please ask. ☺

## Phonics Readers

It's important to remember that when reading decodable books, **your child's fluency may not be as smooth as when reading other books. THAT IS OKAY!** It shows s/he is truly BLENDING & reading! ☺ Please let me know if you have any questions regarding our phonics program. ☺

Hopefully reading & completing the "Let's Review" on the back page of these books has become part of your family routine. They no longer need to be returned for a sticker. Please continue to set these aside to pull out for summer reinforcement.
