

MRS. WHITNEY'S PRESCHOOL NEWS

WHAT'S HAPPENING IN PS!

Another week down in Preschool!

We had a fantastic week!

We worked on the letter 'V' - dobbing, coloring, tracing, play'doh'ing, stickering our way to mastering it! Next week we will move on to the letter W!

We also practiced working hard on our numbers, doing fun Earth Day crafts - we talked about ways we could help our Earth and help take care of our Community, as well! We painted parts of flowers and put them together to make a whole flower, stamped with the stalk of a romaine lettuce and

We also PLANTED FLOWERS! I can't wait to see them take care of them and watch them grow!

One of our favorite yearly activities SHOULD arrive next week! Our Ants for our Ant Farm! It's always so fun watching them grow, dig, feeding them and setting them free at the end of the year!

There has been a change to our last day of school - please see attached note regarding what we will be doing!

Also, please remember that we will be making huge messes, playing in the dirt, chalk, paints, etc - please make sure you're sending your little in clothes you don't mind getting messy. :)

We will be having a fun end of school party on the last day of school. Weather cooperating we will have a water day with our Pre-K friends. More information regarding this will be sent home soon!

Our Focus ↪

NEXT WEEK SNACK

ALDEN
TY
LYLA
BLAKELY
FORREST

*We now have 8 littles for snack!

COMING UP!

May 16 - 8th grade graduation
