

# MRS. WHITNEY'S PRE-SCHOOL NEWS

## WHAT'S HAPPENING IN PS!

Wow, I can't believe we are winding down the school year. This year has gone incredibly too fast and I don't think I've gotten enough time with your sweet babies.

We did so many fun things this week. We introduced our ant colony to the classroom. What a wonderful experience this was. You should have seen their faces! Every day they observe their new tunnels, we have fed them and will continue watching them thrive until we release them at the end of the school year. Your little loved making their ant hill craft and dotting an ant with paint and marshmallows! We also continue to watch our plants grow! We get new sprouts all throughout the day and they LOVE counting to see how many new sprouts we have before the end of the school day.

We dabbled, traced, colored, play'doh'd, danced, sang and mastered our way to learning letter 'W' this week.

Next week we will move on to letter 'X'!

I'm really proud of how much they've retained and continue to learn. <3

PLEASE NOTE THERE HAS BEEN A CHANGE TO OUR LAST DAY OF SCHOOL. I sent home something regarding this last week. Please let me know if your little will have a grown up attending with them. Mr. Lavelly confirmed that the grown up does not need to have the Child protection course to participate in this. :)

## Our Focus ↩

## NEXT WEEK SNACK

OAKLEE  
DAX  
SAWYER  
BLAKELY  
ALDEN

\*We now have 8 littles for snack!
