## What We Are Learning!

I cannot believe that the end of the school year is almost here. We have had a busy week practicing for graduation and assessing for progress reports. We learned all about ocean animals through books, magazines, and videos. We did a habitat sort cut and glue, dolphin shapes, made a pretty rainbow fish, and wrote in our journals about their favorite ocean animal. They enjoyed playing with some cool ocean animals in the blocks and Legos. We have also been practicing name writing and reviewing numbers and letters. We got together with our buddies for the last time and enjoyed donuts and some fun activities. Fr. Robert came in and talked about Mother's Day and our patience virtue. I hope you love all the Mother's Day gifts the littles have been busy making.

## Upcoming Events

May 16 - 8<sup>th</sup> Grade Graduation 6 pm

May 17 - Pre-K Graduation 6 pm

May 18 - Pre-K 12:00 dismissal

This will be our last day.

Pre-K will not be going to the city park on Wednesday with K-8<sup>th</sup> grades. We will be busy preparing for our graduation day!

No Show and Tell next week!

Snacks for our last week:

Monday - Wesley

Tuesday - Oliver

Wednesday - Thalia

Thursday - Aurora

\*Important graduation information is attached to this letter.

## Notes:

On our last day of school (Thursday, May 18) we will be having outside water activities, so please make sure your little has a warm weather change of clothes just in case. (These can be in their backpack on Thursday.) Please send their backpack in even on the last day as we will still be sending items home. Remember dismissal is at noon at the side preschool door.

Nat mats and blankets are coming home. We will not need them back as we will not be napping next week!

Have a very Happy Mother's Day and enjoy your weekend!
