

6th Grade Weekly News

August 25, 2023

Mrs. Kalie Naas--knaas@smsrockets.net--812-431-0831

From the Desk of Mrs. Naas:

It was a wonderful and HOT week in 6th grade! I think the kiddos are beginning to get into a groove and are adjusting well to middle school life. Students are getting better each day with organization, classroom tasks, rotating class, etc. They will be a pro in no time! We got to meet with our 2nd grade buddies on Wednesday. We played a "Get to Know You" game and helped our buddies with tying their shoes. In my opinion, buddies are one of the greatest blessings at SMS!

Thanks for taking the time to help your student gather trinkets, printing pictures, and/or writing them letters to include in their 6th grade Time Capsule. These have been officially closed and will be kept in a top secret location until the end of their 8th grade year.

5th-8th grade will be traveling to Turkey Run this coming Wednesday, August 30. Please be at the school at 7:30a.m. We will be leaving promptly at 7:45am. Students need to bring an extra set of clothes, a sack lunch, and money for a quick stop for supper on the way home. We plan to be back to the school around 6pm for pick up. We will be in touch.

A few friendly reminders:

- Students will be filling out their Student Planner everyday. This is one way to keep communication lines open at home and at school.
- Students have a designated "Take Home" folder. This folder should come home everyday. Look for things like this weekly newsletter, notes from the office, etc.

I sent a group email this afternoon-please check and make sure you received it :-)

Religion: Mother Teresa posters and Mary.

Science: Finish measurement and science tools

Math: Begin Chapter 1- Number Properties and Decimals

Social Studies: Map Skills & Geography Review

ELA: Short Stories
