

Mrs. Whitney's PRE-SCHOOL NEWS

WHAT'S HAPPENING IN PS!

Shew, what a fun week in Preschool! Your littles showed me that they were ready to begin our learning fun! I assessed all of them (check out their growth binder if you want to see what our starting point is!) and I can't wait to see what information they retain! They normally start retaining immediately, which is so much fun!

We also began working on CENTERS! They LOVED doing center time and caught on to our movement so quickly!

We have a smart bunch of kids - you should be proud!!

This week we started our book focus - which was "The Kissing Hand" - they LOVED it! Make sure to ask your little about Chester, and our grown ups who will ALWAYS come back for us! Next week we will begin our alphabet work. We work in alphabetical order, so up first - Letter A!

Our focus story next week will be
"Chicka Chicka Boom Boom!"

If your little stays all day, we could use some afternoon snacks! :)

The Mt. Carmel Police Dept has asked us to not park on the road before 2:45 pick up time. If you do get to the school before 2:45, do not line up in the road as it's causing road congestion - but if you do happen to get here before 2:45 you can find a parking spot along the front of the church. Thank you for your cooperation!

If your little has not brought a water bottle, please send one in with them. :)

We are not using the water fountains in the hallway - so it's nice to have a drink when we come inside from playing!

If your little is prone to accidents, please make sure they have a change of clothes (or two) in their cubby. I don't want to have to bother you during the day if we have an accident!

Have a GREAT weekend!
