What We Are Learning!

What a wonderful first week of Pre-K we had! I love how the littles bounce into the room with smiles and excitement! They seem so happy to see their friends. We have been busy learning our daily routine and getting to know one another. This is such a sweet group that seem to get along well with each other. We sang songs, read stories, played with Play-Doh, Legos, puzzles, and many math materials. We drew in our journals and painted our first handprints. They had fun going to their first Art Class with Miss Beck. We have all enjoyed the beautiful weather and playing outside on the playground with preschool and kindergarten.

Upcoming Events

Sept. 1 - 12:00 p.m. Dismissal
Sept. 4 - No School - Labor Day
Sept. 14 - Picture Day
Sept. 16 - Rockets Golf Scramble

Our theme for next week will be "All About Me". If you have not sent in a 4x6 individual and family photo, please do so as soon as possible.

Since we have several littles already excited about Show and Tell, we will begin this Wednesday, August 23rd. Please bring only one item that fits in their backpack or can be easily carried. No breakable items please. Show and tell will be every Wednesday morning.

Notes:

Please complete and return the "Getting to Know Your Child" paper, so I will know if there are any more allergies or health issues.

Just a reminder to make sure your little has a water bottle in their backpack every day.

It has been requested that parents please do not come to the parking lot for pick up before 2:45 p.m. as this has caused some traffic congestion.

Thank you for choosing St. Mary's School and sharing your little blessing with us!
