Independent Reading: Ways to Help at Home

- * Demonstrate your genuine pride & enthusiasm
- * Insist that pointer finger is under each word as it is being read / spoken
- * Resist the temptation to turn the page for him/her. Turning pages is an EXCELLENT fine motor skill

Here's What We'll Be Working On

Christianity: God the Son: Jesus is the Son of God
Jesus is our friend & brother

Literacy: Letter SOUNDS

High Frequency Words Review I, like, the, see, a
Continuation of Color Words

New Focus Word: we

Math: Unit 3 Numerals to 10 Students will:
Recognize, Count, Write & Compare

Fine Motor: Name Writing – Only 1st letter capital

Social Studies : Johnny Appleseed

Science: Growth Cycle of Apples

Virtue Based Restorative Discipline

Our 1st Quarter virtue is self-control. Waiting our turn, sharing, keeping hands & feet to self, using kind words & inside voices, transitioning cooperatively to next activity, following directions, staying calm when things don't go the way we want, being patient, resisting impulses & staying on task are examples of ways we demonstrate this virtue.
