Mrs. Kalie Naas--knaas@smsrockets.net--812-431-0831

From the Desk of Mrs. Naas:

Isn't this weather wonderful? I think fall is officially upon us. Next week begins Iowa Basic Testing. Middle School will be taking all parts of the test on Tuesday and Wednesday only. This will allow for a normal schedule for the rest of the week. Thanks for offering to bring in snacks for our testing days. I have attached a note to this letter with your assigned snack day. You may bring the snacks/drinks on Monday if that's easier or your assigned day--Whatever works best for you.

We all enjoyed our field trip to St. Meinrad and our quick visit to St. Benedict. Brother Joel Blaize, a MCHS alum, gave us a tour of the campus and we even got to participate in their noon day prayer in the Abbey. Your kids were respectful and reverent. You should be proud! A big thank you to Mrs. Wissel for organizing this field trip.

Thank you to all who participated and supported the annual Rockets Foundation Golf Scramble last weekend. It was a beautiful day to be on the course.

On Wednesday mornings during homeroom, we dedicate our time to our class VBRD circle. These circles are used to build classroom community, strengthen relationships, encourage problem solving and accountability, and most importantly, cultivates virtue. For the past two weeks, unity has been our virtue that we practice and learn what the Bible has to say about it. If you see an opportunity present itself that you can talk about unity with your kiddo, go for it! (Unity in your family, as a Christian, sports team, class, etc.) Better yet, if you see your child encouraging unity, point it out!

Have a great weekend!
