From the Desk of Mrs. Naas:

We all survived the Iowa Assessments this week-The kids did great! They enjoyed all the snacks and drinks that were brought in to share. Thanks again!

There are several fun events coming up in October. Take a look at the dates below and be sure to mark your calendars.

You are always more than welcome to join us for Mass on Tuesdays and Thursdays at 8:00am. Your kiddos sing in the choir, serve, and have reading parts. They usually know in advance when they will be participating in Mass. Come join us!
