WHAT'S HAPPENING IN PS!

What a fun week!

The littles LOVED all of the apple talk, experiments and learning this week. PLUS learning all about Johnny Appleseed! They thought it was pretty silly that he didn't wear shoes and wore a pot on his head. :)

We made LOTS of apple crafts this week. Thank you to Huck for bringing in apples from his apple trees! We cut them open and discussed/made observations comparing them to store bought apples. What a difference! The littles were great little scientists.

We mastered the letter 'E' this week by tracing, coloring, dobbling, play'doh'ing, dancing and singing! Next week we will move on to the letter 'F'

It's sure to be a fun week with our PUMPKIN PATCH FIELD TRIP ON WEDNESDAY!

Please remember ALL LUNCHES MUST BE PEANUT FREE.

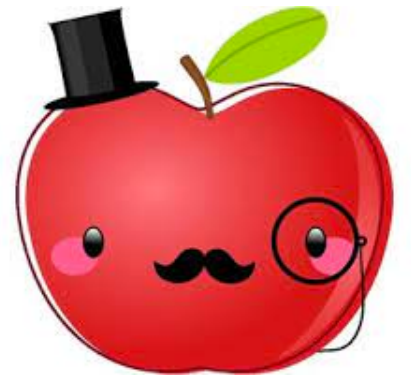

If you signed up to chaperone our pumpkin patch trip, please make sure that your child protection course is finished.
Anyone not in compliance will NOT be able to chaperone!

You can check your littles growth binder in their cubby at any time to see what they could tell me when I assessed them. There is also some of our classroom work in their binders now if you want to check that out!

We have also begun counting to 5 *EN FRANCAIS* so if you hear "un, deux, trois, quatre, cinq" that is 1-5 in FRENCH! :)

The littles loved going to Music + Art with Miss Beck!
In Religion we read from our Daily Devotional and we are continuing to learn how to Pray and talk to God.
. We will begin our Religion Curriculum (I am Special!) soon! :)
