What We Are Learning!

We have been enjoying this beautiful weather and playing outside with our friends. We continued talking about the many ways we are alike and different and all about our families. They have loved telling us all about their family. In our first phase of Handwriting Without Tears (HWT) we used our wood pieces to talk about vertical, horizontal, and diagonal lines and practiced some easy prepositional words. We even used the wood pieces to play music and sing the Hokey Pokey. We have been learning all about Mat Man and they had fun making their own to hang in the hall. Ask your little to tell you about Mat Man! We also rotated through several science and math centers, played with pasta, and the Mr. Potato Head Families
