What We Are Learning!

We had a busy week in Pre-k learning about colors and the numbers 0-10. We read about "My Many Colored Days" and talked about how different colors make us feel and then wrote in our journals. We sorted many math materials by color and are working on the AB pattern. We talked about the colors of the rainbow and painted our own with water colors. We did some ribbon and scarf dancing to several fun songs. We used the Handwriting Without Tears (HWT) "Wet, Dry, Try" on the iPads to practice numbers 0-10. We used magnetic numbers on the easels and chalk to write our own. We also learned about numbers on dice. We practiced using glue and the littles really enjoyed the glitter!
