September 29, 2023

Iowa Basic Testing is complete! The students did a great job of working hard and doing their best. Thank you to Carrie Tennis for supplying the snacks and juice for the testing days.

The 8th grade students have been doing a great job of setting examples for the lower students. At church, they sing, serve and read whenever is needed. You are more than welcome to join us on Tuesday or Thursday at 8:00. During recess, they help the younger students and make sure the rules are followed.

Keep up the good work, 8th grade!
