Holy Rosary*

# 8th grade Newsletter

October 6, 2023

Next Friday marks the end of the first quarter. I can't believe it! This year is flying by. Attached to this letter is a Parent-Teacher Conference Sign-Up. Middle School will be doing conferences throughout the week of October 16, not just one day as in the past. Take a look and let me know if you have any questions. Please return before next Thursday so we can schedule and inform you of your meeting time. We look forward to seeing everyone!

Your children have decided to be teenage mutant ninja turtles for halloween. I will get the supplies that we need to put this together ourselves. I will order shirts from the Grind, we will paint the shells at school, and I will get fabric for their belts and eye masks. Please send in \$10 to help offset those costs. They will need to figure out whatever kind of bottoms that they want to wear.

Enjoy your long weekend—no school Monday for Columbus Day and no school next Friday for our teacher workshop in Belleville.

Have a great weekend!
