Weekends are family times, so I don't send assignments BUT if you wish to review & reinforce the book over the weekend & return it on Monday, that is your option. ☺

## Lunch Money Baggies

Please put **only** lunch forms & lunch money in the little lunch baggies. These are delivered directly to the cafeteria; I don't go thru them & **I won't see any notes.** Milk money for lunch brought from home should be put directly into the lunch box each day so the **lunch duty person knows your child has money for milk** & your student isn't given a cup of water.
