What We Are Learning!

We had a great trip to the pumpkin patch and the weather was perfect. A big "THANK YOU" to all those volunteers who came along to help! The littles are still talking about all the fun they had. We shared some pumpkin patch stories and wrote in our journals about their favorite activity. We cleaned our pumpkins and did an investigation on their shape, size, and measurements. We painted a paper plate pumpkin and finger painted a pumpkin patch picture. We worked on the Letter H this week with our Handwriting Without Tears (HWT) Program using Play-Doh, iPads, chalk boards, and paint doobers. We also practiced the rectangle. In Religion we talked about how we change and grow and some ways to help us grow.
