## What We Are Learning!

The littles enjoyed our visit from the fire department and got to learn about fire safety and climb up in the fire truck. We went on a leaf hunt with our 8<sup>th</sup> grade buddies (and 5<sup>th</sup> grade) and gathered different types of leaves. It was a little chilly but they all had a great time together! They sorted their leaves, choosing their favorites, talking about size and colors, and wrote in their journals. Then they made some beautiful pictures with leaf rubbings. We also did a scratch art leaf. We worked on the letter T with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We practiced cutting and gluing in numerical order and sponge painted their names. We also rotated through several different science centers. In Religion we talked about ways we can praise God. Our Virtue for the 2<sup>nd</sup> quarter will be Gratitude. We will be talking about all the things we are thankful for.

## Notes:

The Student Council invites you to join our school in collecting items for the Wabash County Animal Shelter until October 25<sup>th</sup>. Most needed items include dry/wet dog and cat food, bleach, comet, and med-large dog collars. A complete list is on the flyer that was sent home. Thank you for helping us do "Small Things with Great Love".

Our Halloween Party is Tuesday, October 31<sup>st</sup> around 9 am. Your child may send in treat bags to pass out to the class if you wish (all treats must be peanut free). We have 13 Pre-K students. If you would like to join us for the party (and are up to date with the child protection classes) please let me know. We will also be participating in the Trunk or Treat in the back parking lot after nap time.
