

# November

St. Mary's School  
Fourth Grade  
Nov. 6-10, 2023

Dear Parents,

This is a great group of kids. There are a few bumps with recess, but I am staying on top of it. If there is anything I need to know, please contact me.

Academically, we are flying through most of our subjects. Their math skills are very good. Misspelling words that are on the page is a careless little problem. We have discussed that.

Have a great weekend.

Sincerely, Karen
