## What We Are Learning!

What a FUN week we had learning all about our five senses. We read books, sang songs, and played "I Spy" and "Whose Nose?". We wrote in sand and shaving cream, played with rice, pasta, Mr. Potato Head, wood, foam, and bristle blocks. We colored with oil pastels and did sand paper rubbings. The littles enjoyed smelling and guessing scents, and tasting and guessing sucker flavors. We even made popcorn using all five senses. We also made a book to bring home. We worked on the letter U with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. In Religion we talked about how we can help others. In Art Class with Miss Beck they made crowns and learned about Saint Elizabeth.

## Notes

The littles looked so awesome in their Halloween costumes and had a blast. Thank you to all those who sent in party supplies, brought treat bags to send home, and who came in to help make our party fun! We also enjoyed the Trunk or Treat and appreciate all those who braved the cold to pass out treats.

Student Council is selling Dairy Dee ice cream for their annual fundraiser from Nov. 1-15<sup>th</sup>. If you would like to make a purchase, please fill out the form that was sent home or reach out to a student council member. Thank you for your support!

The crisp fall mornings have been cool when we go outside so please send in a coat with your little one. Also please exchange warmer clothes (long pants) for their extra clothes if you have not already done so.
