What We Are Learning!

We had a wonderful time with our kindergarten friends during our Friendsgiving Celebration. The littles looked so cute! They loved hanging out with the big kiddos and rotating in and out of both classrooms doing fun activities and sharing a special meal together. We also enjoyed our pajama day with our preschool friends complete with a movie, popcorn, and pizza party. We worked on the letter O with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We made fun placemats, wrote in our journals, painted a cute turkey, and colored by number. In Religion we talked about our special talents God has given us and how we can help others. We continue remembering all the things we are thankful for. In Art Class they made glittery stars.
