\* At the end of January we will be celebrating the 100<sup>th</sup> day of school. I realize you must have TONS on your mind with Christmas approaching, but I'd like you to tuck this 100<sup>th</sup> Day event in the back of your mind so it doesn't take you by surprise in a few weeks. Your Kindergartner is invited to wear a "100 Day shirt." This can be something you make with 100 items stitched or painted on... OR maybe you have a sibling, cousin or good friend you can borrow a "Happy Hundredth Day" from. I don't want anyone to feel the need to purchase a special shirt just for one day!
