What We Are Learning!

We had a great week back from our Fall Break. The littles seemed so happy to be back with their friends. We have been learning about the Season of Advent (December 3rd is the first Sunday of Advent), how we will be waiting, preparing, and getting ready for Christmas. We made our own Advent Wreaths with our handprints and colored an Advent Ornament. We worked on the letter Q with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We rotated through several alphabet and science centers during center time and played color and shape Bingo. We continue to practice name writing and cutting and gluing skills. Fr. Robert talked with us about our virtue of gratitude and all the things we are thankful for.

Notes

Last chance to order Scholastic books for Christmas is Tuesday, December 5th.

Our class Christmas Party will be on the morning of Wednesday, December 20th. We will need unfrosted sugar cookies, icing, sprinkles, (all peanut free), plates and napkins, plastic knives, and juice. Please send in a wrapped children's book (around \$5) and we will have a gift exchange. Our Prayer Partner Mrs. Hipsher will be sending in stockings for the littles and if you would like to send in candy or treats (all peanut free) to help fill them that would be great. If you are able to help with any of the above items, have any fun games, crafts, or ideas for the party, or would like to join us (and have the Child Protection Training) please let me know.
