From the Desk of Mrs. Naas:

I hope you and your family had a wonderful and restful break. We are all excited to be back to school and to be with friends again—and I tell ya, it looks like everyone grew a few inches since I saw them last. Yesterday in class, we were able to set some goals for the new year. Each student decided on an academic, personal and spiritual goal. We talked about how making our goals specific is better than a general goal. Asking ourselves HOW we can achieve the goal is beneficial in achieving what we are trying to accomplish. For example, “I would like to be more organized by using my agenda everyday.” The students decorated a disco ball and wrote their goals inside and we jazzed up the hallway with our “GLOW” Getter ideas! **The picture below is our hallway display.

We attended the funeral Mass of Jim Stevens today, the grandpa of our own Presley Stevens and father-in-law of Mrs. Stevens. Please keep this family in your prayers as they navigate difficult days ahead.

Report cards for quarter 2 are attached to this letter today. Please take a look, sign and return. Reach out if there are any questions or concerns. This has been a wonderful first half of the year. Thank you for raising up such respectful, kind, and genuine kiddos. They truly are a blessing. I love being their teacher! I look forward to a strong start to Quarter 3.
