What We Are Learning!

We worked on the letter S with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We spent the week learning about space and stars through books and videos. We painted a moon and a solar system, stamped a night sky, did a space maze and a rocket color by shape, wrote in our journals about the moon, and made a book about space words. The littles enjoyed reading the books to their 8th grade buddies. We counted moon rocks and had a rock toss, and even made our own moon sand. We continue working on name writing. In Religion we talked about our virtue for 3rd quarter and all the ways we can show kindness.

Notes:

Catholic Schools week is January 29-February 2. It will be a fun and exciting week for our school. We will have different dress up days throughout the week and lots of extra activities. Monday is Pajama Day, Tuesday is Red Carpet Day, Wednesday is Sports Day (chosen by the Johnson boys who won the City Lights Auction), Thursday is Movie/Book Character Day, and Friday is Neon and Crazy Hair Day.

*City Lights information is coming home today. We will have a ticket blitz through February 3rd and the class who sells the most tickets will get an ice cream party!
