What We Are Learning!

We worked on the letter P with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We spent the week learning about penguins and polar bears, and other arctic animals through books, songs, and videos. We did arctic patterns, graphs, alphabet and number dot to dot, polar shapes coloring, and Q-tip painting. We used our fine motor skills to make a cute penguin craft and made puffy paint for our polar bears. We also did a science experiment to see how penguins stay dry and rotated through several different science centers. In Religion we talked about ways we can follow Jesus. Fr. Robert brought in gold, frankincense, and myrrh to show the littles. In Art they made lanterns to celebrate the Chinese New Year.

Upcoming Events

Jan. 26 - 100th Day of School
Jan. 27 - Bingo Night and Benefit Drawing
Jan. 29-Feb. 2 - Catholic Schools Week
Feb. 16 - Noon Dismissal
Feb. 19 - No School-Presidents Day
Feb. 24 - Rockets Foundation 5K/Fun Run
March 9 - City Lights

Show and Tell will be on Wednesday, January 24th.

Next week we will be working on the letter B and talking about snow and ice.

Snacks for next week:

Monday - Bennett's 5th Birthday (Jan. 21st)
Tuesday - Oliver
Wednesday - Silas
Thursday - Ty
Friday - Vivian

Notes:

Catholic Schools week is January 29-February 2. It will be a fun and exciting week for our school. We will have different dress up days throughout the week and lots of extra activities. There will be an open house on Thursday, February 1st. More information is attached to this letter.

We will be celebrating the 100th day of school on Friday, January 26th with some fun activities. If your child does not attend school on Fridays he/she is invited to come celebrate with us.

Online book orders are due by Thursday, January 25th so we can get them back for Valentines Day. Just scan the QR code on the flyer to connect to our classroom or visit scholastic.com/bookclubs.
