What We Are Learning!

We worked on the letter B with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We have been talking about snow this week and did "snow" many fun activities including reading and singing, making a cute snowman craft, making a snowman out of our names and Play-Doh, water coloring, and matching mitten and snowflake games. We even made fake snow to play in! Ask your little how we made it. We also had fun celebrating the 100th Day of School painting 100 dots, writing in our journals, and finding 100 Hershey Kisses (and eating a few too). In Religion we talked about ways we can find peace and make peace. Since we have more snow and ice things to do, we will continue our theme next week, and will be reviewing letters and numbers 0-10.
