## What We Are Learning!

We spent the week talking about our feelings. The littles enjoyed graphing their feelings on our chart daily and ask to continue doing so. They wrote in their journals about what makes them happy and sad, did a feelings cut and glue pattern, an Emoji Count, stamped an ABC pattern with foam faces, and played with feeling puppets. We read about Harold and the Purple Crayon and drew our own adventures. We worked on the letter K with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We also rotated through several alphabet centers and continue to practice name writing. Fr Robert visited our classroom and talked about who Jesus is and how we can follow him. We also talked about kindness and ways we can be kind to others.
