## WHAT'S HAPPENING IN PS!

Another fantastic week in Preschool down! It makes me so sad that there aren't many weeks left of school! These littles have absolutely stole my heart and I'm not quite ready to pass them on yet!

This week we traced, colored, dobed, spot'n'dotted, play'doh'd, danced, sang and mastered our way to learning letter 'V'. When we come back from Spring break we will be doing a letter review before moving on to letter W.

We continue doing repetition for our alphabet and numbers to reiterate what they've been learning!

April 3rd we will be doing an Easter event with our 4th grade buddy class!

In Religion we continue to talk about Lent and Easter - and also read from our Bible. We have been learning and dancing to new worship songs!

They love dancing to music about Jesus!  
Have a fantastic, fun and safe Spring Break!

I will not be sending home a snack calendar for the month of April. We are still fulfilled with snacks (you guys are awesome!) IF your little has an April birthday, I will get with you to pick a day to celebrate them! :)
