Mrs. Steckler's Pre-K News

What We Are Learning!

We worked on the letter M with our HWT Program using Play-Doh, iPads, chalk boards, and paint dobbers. We talked about Community Helpers and did a helper search, a cut and glue matching helpers, journal writing about what they wanted to be when they grow up, and even played Career Bingo! Karmen Macke came in and talked about her job as a Dental Hygienist. We continued celebrating Dr. Seuss by making red fish, blue fish hands, Horton the elephant, and designed our own crazy socks! We also rotated through several fun science centers. In Religion we talked about how God loves us and is always with us. Fr. Robert visited our classroom and brought in a picture of Jesus and his Apostles at the Last Supper. In Art class with Miss Beck they did a framed art project to be auctioned off at City Lights.
