## What We Are Learning!

We had a great St. Patrick's Day Week. We read books, sang songs, and did a little dancing. We did a shamrock trace, drew leprechaun faces, wrote in our journals, and did some cool crafts to decorate our halls. We also learned about nutrition, the food groups, and even made a Fruit of the Spirit hat with Mrs. Vargo, which included all the virtues we've been talking about this year! We worked on the letter N with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We rotated through several different math centers and continue to practice name writing. In Religion we talked about how God gives us food and how we can share.
