## WHAT'S HAPPENING IN PS!

Another great week in preschool!

We wrapped up working on letter 'X' this week and it was probably the littles favorite letter so far! We danced, sang, traced, colored, dobed, play'doh'd, spot'n'dotted and wrote our way to mastering it! Next week we will move on to letter 'Y'! We continue working hard on our numbers 1-10 as well!

We learned all about our special planet Earth this week! We celebrated Earth day on Tuesday all together. We read stories, did crafts and talked all about how we can protect our Earth to keep her safe and healthy!

Next week we will be planting our very own flowers to see the process of planting and watching them grow! This is one of our favorite classroom activities! The littles love seeing their hard work GROWING! :)

Thursday we went to 2nd grade to listen to their poems they have been working SO HARD ON! They did a fantastic job and your little loved spending time with them! Thank you to Mrs. Mann and the sweet 2nd graders for inviting us!

Our last day of school will be May 21st.

We will be having a morning of fun with our Pre-k friends!

Parents are invited to join us from 9-11.

We will be dismissing at 11:00 that day after we conclude our morning with Pre-K.

This is one day earlier than the rest of the school.

I can't believe it's already time to talk about the end of the school year. I'm not ready for these sweet babies to move on yet! If you plan to send your little to Mrs. Stecklers class now is the time to start the registration process. We certainly hope that you will consider continuing your child's education at SMS!!

I WILL be sending home a snack calendar for the last few weeks of school! We have done a great job at utilizing the extra snacks that we had! THANK YOU to everyone who sent extra snacks in throughout the last few months!!
