

Mrs. Whitney's PRE-SCHOOL NEWS

WHAT'S HAPPENING IN PS!

We were so glad to be back together this week! It sounds like everyone had a fantastic Spring Break and Easter celebration.

This week we did a letter and number review before we begin our alphabet work again next week. I can't believe 4th quarter midterms are already quickly approaching. I am not ready for these littles to move on from me yet!! They are all doing a fantastic job retaining all of the learning that we're doing!

In Religion this week we continued talking about Easter and the reason we celebrate. We talked about how Jesus died for us on the cross and even though his story was a sad one, it ended truly happy with His resurrection!

Pre-School + Pre-K will do the last days of school a little differently than the rest of the school. Mrs. Steckler and I will send home information regarding this hopefully next week! :)

Next week (April 10th) will be our
Preschool - Pre-K - Kindergarten information night.
Preschool and Pre-k will begin registration that night and coming will hold your spot for Pre-school + Pre-K classes. If you have any friends + family that might be interested send them my way! For my class you must be 3 years old by school starting date and must be potty trained.
If your little is moving on to Mrs. Stecklers class, please make an attempt to stop by!

I will not send home a snack calendar for the month of April - you guys are awesome and I have an over supply!
