What We Are Learning!

We have really enjoyed the beautiful, warm weather this week. We joined our preschool and kindergarten friends for a fun trip to the FFA petting zoo where we observed many farm animals. When we returned we wrote in our journals about our favorite animal. We have been reading many books about baby animals and playing with farm sets. We even made our own farms with stamps and stickers. We worked on the letter X with our HWT Program using Play-Doh, iPads, chalk boards, and paint doobers. We also rotated through several fun math centers. The littles were excited that they got to meet Bishop McGovern and talk with him.

Notes:

It's hard to believe we have less than five weeks of school left! Our Pre-K graduation will be on Monday, May 20th at 6:00 pm in church. The caps and tassels are here! Amanda Macer will be taking a group and individual pictures. More information to follow.

On Tuesday, May 21st we will have a morning of fun with our preschool friends then have an 11:00 am dismissal. This will be the last day of school for preschool and pre-k. We would love to have any available parents to join us from 9-11 am if you have completed the Child Protection Training.
